FOOD OUTPUT: Campbell Addresses San Carlos Class

SAN CARLOS—Jan Campbell, deputy San Mateo County agricultural commissioner, spoke here at the city hall in the fifth of a series of lectures on food production sponsored by the San Carlos Civic Garden Club.

A large group came to hear Campbell speak on plant diseases and how to combat garden pests. Mr. Campbell was introduced by Fred Klyver of the agricultural extension service of San Mateo Junior College.

The commissioner said that plant disease could largely be prevented by proper control methods during the early life of the plant and enumerated specific vegetables and the insects which attack them, telling what sprays and dusts to use to combat them.

Anyone may bring a plant or a part of a root to the agricultural department at 1839 Broadway, or may telephone R.C. 2180 for information on what to do for the plant.

Campbell said proper treatment of the soil for seed and watering when the temperature is between 70 and 90 degrees will prevent many ills before they get a start. He also gave advice on

ant control, saying that the type of solutions used must be changed from time to time.

Mrs. Phillip Cotton of the executive board of the Garden Club announced the next lecture will be held Monday at 7:45 p.m. at the San Carlos School when Miss Eleanor Hansen of the Burlingame High School will talk on "food preservation including dehydration."

Family Shares Flier's Estate

Lt. G. Parker Toms of Burlingame, former RCAF pilot who was killed in action over Western Europe Jan. 16, left his entire estate to his wife and daughter, according to a will on file in superior court here today.

Lieutenant Toms was the son of Mrs. Marion Fagan Toms of Santa Barbara and the late G. Parker Toms Sr., American Trust Co. official. The father left an estate of \$1,243,485 and prior to his death established a trust fund for his son.

The pilot's mother also estab-

lished a trust fund for his benefit.

Income from both trusts is to go to the pilot's widow, the former Jacqueline Schmidt of Pasadena, the will provides. The resi-

due of Lieutenant Toms' estate is to go to his infant daughter, Wendy. The widow and daughter now live in Live Oaks, California. The estate is valued at not more than \$10,000.

Ray Spangler, editor of the Redwood City Tribune for the past year, Monday was placed in charge of the paper to succeed Neal Van Sooy, former manager who resigned to become industrial relations director of the National Motor Bearing Co.

I. B. Heistand, advertising manager, has been promoted to business manager and will assist Spangler in general management of the paper.

Spangler has been on the Tribune staff since 1937 with the exception of a year's leave of absence for military service. He was promoted from city editor to editor a year ago. Prior to joining the Tribune he edited the Enterprise and trade papers in South San Francisco for 10 years, resigning to become advertising manager of the Watsonville Register and Evening Pajaronian. He is a Stanford graduate and is a vice president of the Redwood City Exchange Club.

Heistand joined the Tribune as advertising manager in October, 1942. He had been advertising manager of the Riverside Press and Enterprise for four years and publisher of the Sherman Oaks Citizen-Tribune in Southern California. He likewise served as advertising manager of several Kansas dailies, including the Pittsburg Sun-Headlight, the Manhattan Evening Mercury and the Manhattan Morning Chronicle.

He is a native of Kansas and attended Kansas University where he majored in journalism. He is married and has two children, and has purchased a home in Menlo Oaks. Heistand is a member of the Lions Club and is active on the Redwood City War Savings Committee.

Curfew Law Urged On County

The County Council of Social Agencies today recommended a curfew ordinance for San Mateo County despite failure of previous efforts by the board of supervisors to secure consent of the 12 municipalities in the county to enact a uniform ordinance.

Probation Officer Francis Robinson announced last week that the County Probation Committee is completing a proposed revision of the curfew law for submission to the supervisors this month.

The social agency council, acting at the request of its child welfare division, recommended a curfew at 10 a.m. five days a week and at 12 midnight on Fridays and Saturdays.

The recommendation urged the curfew as a useful method of "preventing further delinquency especially from youths who tend to come from surrounding counties for mischief."

The recommendation was made by the board of directors of the council: Stella L. Jensen, Joseph L. Hyman, S. D. Merk, Elinor Falvey, A. H. Horral, Edward A. Barrer, Mrs. George Murphy, Dr. Edward S. Schulze and Lavilla Heaney.

Children Share Estate

Etta C. Benson, a widow who died in Burlingame Apr. 11, left her estate to her daughter and two sons, according to a will filed for probate in superior court here. The estate is valued in excess of \$10,000.

The will, dated Dec. 20, 1934, provided that the daughter, Helen A. Benson, San Mateo, should have a life interest in her mother's San Mateo Heights home. At the daughter's death the property is to go equally to the two sons, Richard M. Benson of Vallejo and Willis C. Benson of Seattle. The residue of the estate is to go one-half to the daughter, one-half to the sons.

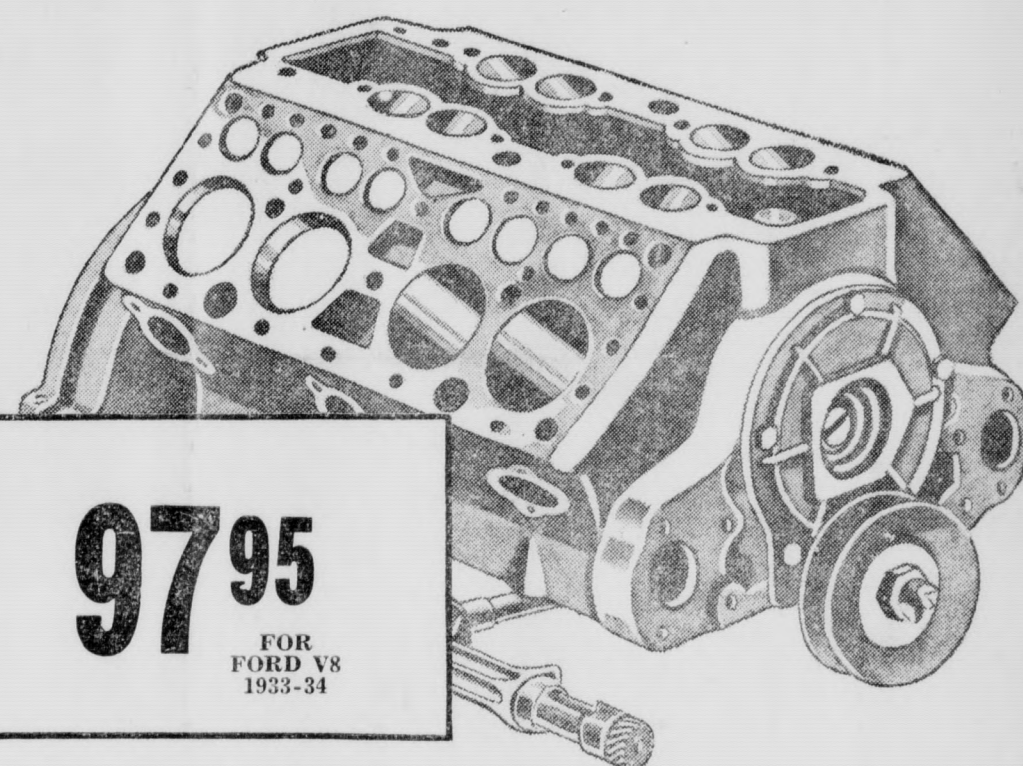

Army Moves In At Stanford

STANFORD — The army has finally begun to move into Stanford.

The first members of a unit of 500 soldiers will arrive at the university for classification and reassignment tests sometime this week, and another group of 400 soldiers will arrive any day for advanced engineering training. Chancellor Ray Lyman Wilbur, said today.

MENLO PARK NEWS

BY D. E. O'KEEFE

W. T. Casey, the well known local sportsman, went on a fishing expedition to Half Moon Bay last Sunday. He caught several crabs and smelt.

Work on the new hospital buildings on the Hopkins Estate has commenced but the government is finding difficulty in securing mechanics. It is said carpenters will be conscripted from the army to do the work.

Miss Sally Jones, a pretty miss from Toledo, O., is here on a visit with her uncle in Felton Gables. She will return East some time in July. Miss Jones holds an important federal position in her home town.

A local business firm will change management early in June. The business will be enlarged.

The last flock of wild pigeons departed this week for the tall timber of Siskiyou to hatch and rear their young. The birds will

be back again to feed upon the large acorn crop in this vicinity next winter.

Two large real estate transactions pending for some time in Menlo Park will be closed early next week.

It is rumored that there are to be a few changes in the personnel of the grammar school when it opens for the fall term. Teachers are getting better paid in industrial enterprises and trustees are finding it difficult to retain their staff.

There appears to be no verification for the rumor of a change in the police department. These rumors are started by some busybody who desires to worry the officials and make trouble for the trustees. Such miscreants should be sent to the front where the fighting flares.

James Halloran of Los Angeles was here this week to establish a clothing store, but could not find a proper building and had to give up the enterprise.

Civil Service Announces Jobs

Many cities in California, Arizona, and Nevada need a 1000 or more laborers in each strategic area for a great variety of duties, such as packing supplies, working in garages and warehouses and docks, and loading and unloading trucks.

Some of these openings are inside jobs and some are outside jobs, but all are important places in the line of defense, according to Chester B. Fox, Redwood City secretary, U.S. Civil Service. If now on a war job, please do not apply, Fox requests.

More information may be had at the post office in Redwood City.

Mayor Endorses Easter Seal Drive

Capt. L. G. McAloney, chairman of the Easter Seal Sale Drive for the Society for Crippled Children announced today that Mayor Floyd D. Granger has given his endorsement to the campaign.

"Giving handicapped boys and girls a chance to be like other children means that they will have a chance to be like other men and women, and that means that they will become normal members of the community, self-supporting, self-respecting and well adjusted," the mayor declared.

The campaign ends Apr. 25.

SAN CARLOS: Observers Meet Apr. 22

SAN CARLOS—The Army Observation Post crew will hold a meeting at the city hall in San Carlos Apr. 22 at 8 p.m.

E. R. Paolini, San Mateo County director, will tell the group of Daniel St. George's new appointment as area supervisor for Southern San Mateo County.

Paolini will introduce the new chief observer, C. A. Phelan, 924 Woodland Ave., San Carlos, who has already assumed his duties. Speaker for the evening will be a representative of the Army Command, who will address the meeting on the importance and purpose of observation posts. Pictures of various army and navy activities will be shown. The best methods of identifying planes will be explained and illustrated by an army representative.

Observers must wear their badges, as only properly identified observers will be admitted to the meeting. A number of qualified observers who have not applied for identification cards are asked to get their cards immediately from Phelan.

Toastmasters Conduct Meeting

Speakers at Toastmasters' Club this week were Rudolph Kalenborn, Eugene Hoffman, Albert Armitage, Ray Moore and Henry Pahlund.

Chester Armstrong was chairman, Virgil Anderson critic.

MENLO PARK COUNCIL: Youth Takes Over Government In Observance of Community's Fifth Annual Boys' Day

MENLO PARK — The Menlo Park City Council turned over the reins of city government to youth Tuesday night, in observance of the Fifth Annual Boys' Day.

The five youthful councilmen, elected from eighth grade classes in schools in the Menlo Park area, sat alongside the

regular city councilmen during most of the meeting and then took over the meeting briefly.

Donald Thomas of St. Joseph's School was mayor, Lawrence Johnston of St. Joseph's was police commissioner, James Bush of Ravenswood was parks commissioner, David Wik of Menlo Park Central School was health

commissioner, and Ward Seybold of Central School was streets commissioner.

Wednesday, more than 60 students took over all municipal and business offices in Menlo Park. Working alongside regular officials, they studied government and business practices in practical preparation for citizenship.

Boys' Day is sponsored by the Menlo Park Lions Club, which was host to a dinner at 7 o'clock Wednesday in the Presbyterian Church for all students and adults taking part in Boys' Day. Christopher Corner of the Lions' Club is chairman of Boys' Day, and George Terhune is his assistant.

During the regular city council meeting, a weed abatement measure was passed, allowing the city to clean the weeds from all vacant lots and assess the cost to the property owners. The bid of Manuel Preder of 6 cents per front foot was accepted for the weed abatement.

The council also authorized the purchase of two American flags—one for the city hall and one for Fremont Memorial Park. Parks Comr. Paul Bryant revealed that James L. Fisher,

Clean as a whistle

Spring cleaning seems to be more important than ever this year because most of us are spending more of our leisure hours at home. But that's not the only reason that this cleaning job has taken on greater proportions. Most of us have to do practically everything ourselves. It's not as easy as it used to be to call up a cleaner to come and take the chesterfield, chair or ottoman out to be given a general going over. That's our job now.

Those grand upholstery cleaners on the market today are really a salvation to the busy homemaker, for the results are close to miraculous. The dirt that's been collecting on those upholstered pieces seems to evaporate into thin air, and the colors become alive with a freshness akin to new.

You'll find these cleaners, along with a host of other cleaning products that lighten work remarkably, on your grocer's shelves all ready to go to work for you.

UPHOLSTERY CLEANING TECHNIQUE

The directions for cleaning upholstery are usually given on the product, but we've a few hints in addition that might prove helpful.

If you're an amateur at this cleaning job, then start out on an inconspicuous spot, say under one of the cushions or on the back of the sofa. A little practice on these hidden surfaces, and you'll see just how to go about cleaning the whole piece. But don't try to cover the whole cushion or sofa at once. Take a small space at a time and clean it thoroughly before going on to the next surface. It takes a little patience and time, but you're well-paid for the trouble. Usually, one application is enough, but if the piece is quite soiled, then give it a second cleaning when it is thoroughly dry.

CLEANING NON-WASHABLE DRAPERIES

This same upholstery cleaner has more than one use. It's grand for draperies which can't be washed. Shake the draperies and air them well, but keep them in the shade while they are airing.

Then place individually over the ironing board, and clean as you would upholstery, taking only a small surface at a time. When thoroughly dry, press carefully, using a cover cloth.

RUG SHAMPOOING

For that professionally cleaned appearance, use upholstery cleaner on your small rugs, too. Large rugs are jobs for expert dry cleaners. In cleaning, start right by vacuuming both sides of the rug and airing in the shade. Don't beat rugs for it weakens the fibers and shortens their wear. Clean a little at a time, letting rug dry before using. To equalize the wear of rugs, turn them frequently.

BELMONT: Fire Votes Canvassed

BELMONT—Votes in the April 5 fire commission board election were canvassed at the regular meeting of the fire commission Monday. Six more votes for Comdr. John Smith were found, bringing Smith's total to 369 votes, and one more for Lester Reetz, defeated candidate, brought his total to 144 votes.

The board announced that the estimated budget for 1943-44—beginning July 1, would amount to \$12,500, the same as this year's requirements.

James Blamey and Charles Gracier, Belmont air raid wardens, asked the commissioners last night about what they could expect in the matter of burning grass. They were assured that the fire department would burn fire trails and the edges of streets where careless-

Judges Dismiss Rape Cases As Witnesses Fail to Appear

Two rape cases pending in San Mateo County courts had been dismissed today because complaining witnesses refused to prosecute.

One case involved charges against Henry Ramirez, 18-year-old Bay Meadows jockey, the other, four counts against Raymond Carey Thompson, Menlo Park laborer.

When Judge Maxwell McNutt called the Ramirez case in superior court Wednesday, Dep. Dist. Atty. Louis B. Dematteis presented a letter signed by the mother of the 16-year-old San Mateo High School girl whom Ramirez is alleged to have attacked in a San Mateo hotel.

ly thrown cigarets might cause damage. The wardens in turn promised co-operation and offered their assistance if needed. Routine matters constituted the rest of the meeting.

room Jan. 24. The girl also signed the letter. It read:

"... I want this case against Henry Ramirez dropped. We have had a lot of publicity and we don't want any more of that kind. My daughter is going away to school, so please drop the case."

Dematteis moved that the case be dismissed. Judge McNutt granted it without comment and exonerated the \$2000 bond upon which Ramirez had been released from jail. Dematteis said Ramirez would probably be given the right to continue riding on California race tracks.

The other case, involving a 14-year-old Redwood City girl, was dismissed Tuesday afternoon by Judge E. I. McAuliffe in justice court when police were unable to locate either the girl or her mother.

The complaint charged two offenses against Thompson, one on Feb. 23 and the other on Mar. 20.

St. Josephs Club Meets Apr. 22

The Men's Club of St. Joseph's School will hold its regular monthly meeting at Mother Foley's Gymnasium at St. Joseph's School in Menlo Park on Apr. 22 at 7:30 p.m. Chief Thomas Cuff of the Menlo Park Fire Department has arranged for a speaker and entertainment for the meeting. All persons interested in St. Joseph's School are invited.

Two-Alarm Fire Destroys Garage, Avoids Chickens

A two-alarm fire which lit Redwood City skies early Wednesday destroyed a combination garage and storeroom and its contents, including an automobile, at 168 Lincoln Ave. Fire Chief Mark E. Ryan estimated the loss at \$1000.

Sirens screamed, spreading rumors of an air raid alarm up and down the Peninsula. Chief Ryan was nearly overcome by smoke. But seven chickens in a coop next to the burning structure went through the experience without an extra cackle, Ryan said.

The home at 168 Lincoln is owned by J. E. Eads and occupied by Mr. and Mrs. John W. Foster and their two children.

"We might have slept through the whole thing except for two shipyard workers," Mrs. Foster reported. "They woke us up and called the fire department."

The first alarm was sounded at 3:08 a.m. followed three minutes later by a second alarm.

Two engine companies, a ladder company and two civilian defense fire department rigs answered. When they arrived the garage was enveloped in flames and the roofs of the Foster home and another residence within 15 feet of the burning structure were smoking.

Mrs. Foster said that Ryan was in the thick of the fight against the fire, and was nearly overcome by smoke when he entered the burning garage. He was brought out, choking, by Fireman Jack Killen.

Origin of the fire was not determined.

In the garage were an automobile trailer, personal effects and tools.

Within a few feet of the flames were seven chickens, kept by Mrs. Foster, including one setting hen.

Half-expecting roasted chickens this morning, Mrs. Foster found the setting hen on her nest repulsing the efforts of another hen to get on the nest to lay an egg. She turned the little flock loose in the victory garden for a field day as a reward for heroic conduct under fire, she said.

INDICTMENT

SAN FRANCISCO—The county grand jury has indicted three sailors for the strong arm robbery of Robert McFarland, 221 Hazel Ave., Millbrae Highlands, and Dusham Cheklich on Mar. 26. The sailors are J. Gordon Sheppard, Raymond Shaw and Charles Peeples.

JU-JITSU: S.C. Group To Study

Eighteen members of the San Carlos Motor Corps plan to take a course in ju-jitsu, their chairman, Mrs. Gladys McArdle said today.

"They are the most avid women for learning I ever knew," said Mrs. McArdle.

The Motor Corps members have completed courses in first aid, gas protection, emergency obstetrics, mechanics, stretcher bearing, and now, since they are almost through with a home nursing course, they were beginning to worry about what to do next. Somebody suggested ju-jitsu, and the idea met with all-out response.

Mrs. McArdle contacted an army officer who promised co-operation.

"At first he seemed rather nonplused," said the Motor Corps chief, "but when he realized that it was a serious request, said he would try to find us a teacher right away." It was the first request he had received for ju-jitsu for civilian women, she explained.

County Committee Protests Legislation

SAN MATEO—The San Mateo County Republican Central Committee, through action of its executive committee, has sent a letter to Harrison W. Call, state assemblyman, protesting a bill now before legislature to make certain elective offices non-partisan.

The bill, which was introduced by Sen. George M. Bigger, fourth district, seeks to eliminate the multi-party system now in effect in the election of all state offices, except that of governor and lieutenant governor. If the bill, which has passed the senate and is now before the assembly, goes into effect, the posts now held by Assemblyman Call and State Sen. Harry Parkman from this county could be run for by men independent of party affiliations.

America must have
\$13,000,000,000
fighting dollars NOW!

This is the year America FIGHTS! In Africa, over Europe, across China, out of Alaska and down in the south Pacific the might of America is hitting hard and often. To carry on this aggressive warfare calls for the greatest war financing program in world history. And it MUST be done now.

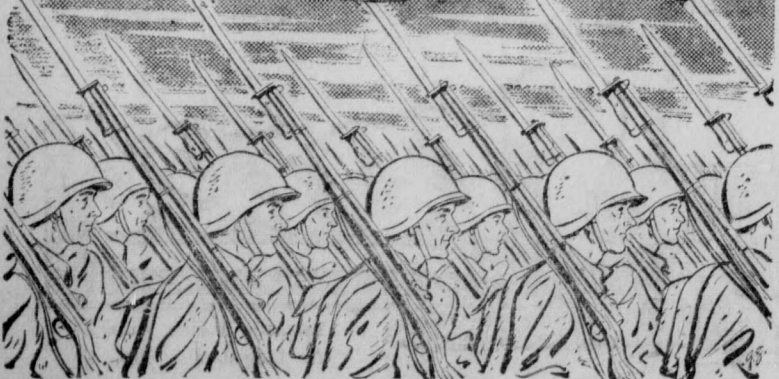

Back up our armed forces by buying bonds and more bonds and more bonds. The Treasury Finance Committee has set the quota of \$13,000,000,000 for the month of April. Let's oversubscribe this amount. Remember, you LEND your money. You get your money back with interest. Our fighting men give their blood and put up their lives to guarantee this. War Bonds are your down payment on the peace and happiness in the post war world. They are your accumulated savings to build a new home or equip your present home with all the wonderful comforts and conveniences you will need and want.

California's quota must be oversubscribed.

Ration Board Penalizes 19 Drivers

Nineteen gasoline ration card holders whose cars had been stopped for speeding have been penalized by War Price and Ration Board 83-12-2 at Redwood City. Penalties ranged from cancellation of gasoline rations for one "C" card holder to warnings for four persons.

The victims:

Ration cancelled—Lawrence A. Menzies, 515 Pope St., North Palo Alto, convicted of speeding 60 miles per hour in San Mateo County. Arrested Feb. 22 by California Highway Patrol.

Sixty-day suspension—Joe Reginato, 2179 Lincoln Ave., East Palo Alto, cited for speeding 50 miles per hour at Belmont Jan. 12 by California Highway Patrol.

Twenty-five day suspension—Manuel N. Lentos, 530 Bay Rd., Redwood City, cited for speeding 50 miles per hour on Bayshore Hwy. Mar. 18 by California Highway Patrol.

Twenty-day suspensions—Joseph H. Forbes, 6 Walnut St., Menlo Park, cited for speeding 50 miles per hour at Redwood City Mar. 15; Jack Jones, 75 Davis St., Redwood City, cited for speeding 55 miles per hour near Gridley Mar. 27, both by California Highway Patrol.

Fifteen-day suspensions—Joseph McFadden, 756 Runnymede, North Palo Alto, cited for speeding 52 miles per hour in Dublin Canyon Feb. 22; Olga P. Hayden, 318 Pope St., North Palo Alto, cited for speeding 50 miles per hour Feb. 16 at Mills Field; William R. Atchley, 1991 Bay Rd., East Palo Alto, cited for speeding 55 miles per hour at Redwood City, Feb. 11; and Stanley W. Johanson, 2379 Oakwood Dr., North Palo Alto, cited for speeding 52 miles per hour in Alameda County Mar. 28, all by California Highway Patrol.

Ten-day suspensions—Ellen C. Jurian, Rt. 1, Box 705, Redwood City, cited Mar. 20, and Gale B. Surdez, 380 Willow Rd., North Palo Alto, cited Feb. 19, both for speeding 45 miles per hour in Santa Clara County by California Highway Patrol; Ignacio T. Escoto, 26 Poplar Ave., Redwood City, cited for speeding 42 miles

Wife, Daughter Share Estate

Walter G. Filer, 70, who died in San Francisco Apr. 3, divided his estate, valued in excess of \$10,000, between his widow and daughter, according to a will filed for probate in superior court here. Filer was a retired mining and civil engineer and one of the founders of Pacific Greyhound Lines.

The widow, Esther F. Filer, who lives at Burlingame Country Club, was awarded half of the estate as her share of the community property. The remaining half was placed in trust to provide a life income for the daughter, Mrs. Lorton Fleishhacker, 620 Brewer Dr., Hillsborough. Her father's will permits her to dispose of the estate in her will.

Trustees of the trust fund are F. W. Ackerman of Piedmont, Greyhound Lines executive, American Trust Co. and Mrs. Filer.

Mr. Filer's will was dated Sept. 10, 1936.

Colma Youth Hurt At Cemetery

Edward Ver Linden, 12-year-old Colma youth staying with relatives in Redwood City, was the victim of a freak accident at Union Cemetery, Redwood City police reported.

Police said Ver Linden was playing on a tombstone when it broke. The lad fell to the ground, and a piece of the tombstone fell on him. He was treated at Redwood City Clinic for concussion and cuts of the head and face.

per hour by Mountain View police Mar. 7.

Five-day suspensions—Arnold W. Scheier, Canyon Sanatorium, Redwood City, cited Mar. 23 for speeding 45 miles per hour on Bayshore Hwy. and S. Min Cheng, Box 1964, Redwood City, charged with speeding 48 miles per hour in San Benito County, both by CHP; and Andrew J. Bundy, 430 Blake St., Menlo Park, convicted on driving 48 miles per hour in South San Francisco, arrested by city police.

Warnings were issued to Wilma M. G. Thompson, 99 Alameda, Menlo Park, driver of a Greyhound Bus; Leah T. Irish, 2025 University Ave., East Palo Alto; Joseph Reginato, 2179 Lincoln Ave. (60-day suspension for prior offense) and Edward J. Francis, 1515 Greenwood Ave., San Carlos.

4 Lives Endangered

One woman was painfully injured and a Redwood City family narrowly escaped death Sunday in train accidents in Redwood City and Menlo Park.

Mrs. Joseph G. Rogers, 26, Menlo Park, narrowly escaped being crushed to death yesterday morning at the Menlo Park depot.

As Mrs. Rogers was returning from San Francisco at 1:15 a.m. yesterday with her husband, Lt. Joseph G. Rogers, she evidently stepped from the train while it was still in motion, according to Menlo Park Police.

Mrs. Rogers was rolled around beneath the undercarriage of the train, but luckily escaped being crushed by the wheels. She was rushed to Palo Alto Hospital where an operation was performed.

She suffered several fractured ribs, damage to her lung, a dislocated vertebrae and other internal injuries, according to Dr. Blake Wilbur, who reports her condition today as "fair."

The Redwood City family escaped serious injury or death by the narrowest of margins at the Brewster Ave. railroad crossing at 1:30 p.m. yesterday, city police reported.

Police said Clyde Harvey, 44, 708 Whipple Ave., approached the crossing, saw a southbound train approaching, applied his brakes but could not stop in time. He swerved the car to the left past the safety gates. The engine crumpled the right front fender of his car.

In the vehicle were Mrs. Harvey, 41, and their 10-year-old daughter, Alice.

Long Beach Woman Held on Check Charge

Mrs. Bette Slaymaker, attractive 22-year-old Long Beach housewife, was arrested by Dep. Sheriff Jack O'Brien as she stepped from a Reno plane at Mills Field Tuesday. Today she was held in county jail at Redwood City, booked en route to Reno police on a charge of forging checks.

Mrs. Slaymaker, a well dressed brunette, was intercepted after Reno police teletyped a warrant to the sheriff's office at Redwood City.

Vandals Invade Coastside Cabins

W. H. Medley, 701 Howard Ave., Burlingame, has notified the sheriff's office here that his summer cabin and three others in Dearborn Park between Memorial Park and Pescadero had been broken into, apparently by vandals.

Medley said nothing was missing, but that windows and furniture had been smashed.

The sheriff is investigating.

Shriners Participate In Circus Program

Shriners of the Peninsula have started an active ticket-selling drive for the third annual Shrine-Polack Bros. circus to be held in the San Francisco Civic Auditorium from Apr. 30 through May 9.

Potentate Al Hambergren of Islam Temple has named the following committee to arrange participation of Peninsula residents in the circus plans: J. C. Forsythe, E. A. Cornely, M. R. McMillan, Cecil A. Bliss, G. H. Stern, E. W. Torello, Stephen Tinker and D. S. Reynolds.

Reduced admission tickets will be available for children and for men and women in the service.

100 Pay Tribute To Departing Officials

BURLINGAME — Nearly 100 Peninsula YMCA officials and their families gathered at Gunst Park Sunday afternoon to honor Mr. and Mrs. Glenn Snyder and Mr. and Mrs. James Batchelor. Snyder, YMCA secretary since 1941 is leaving to take another YMCA post in San Bernardino. Batchelor, associate secretary since last summer, has accepted a navy commission and left this morning for Tucson, Ariz.

The reception yesterday was arranged by the YMCA Committee of Management under Ira Potter, chairman.

Mal Coombs Seeks School Board Post

EAST PALO ALTO — Mal Coombs of Bay Road, Menlo Park, agreed today to place his name on the ballot at the Ravenswood School District election May 14 as a candidate for a vacancy on the board.

Coombs seeks the vacancy created by the expiration of Edward J. Herron's term. He is a University of California graduate, is employed by San Mateo County as superintendent of parks, and has two sons at the Ravenswood School.

Police Seek S.M. Burglar

SAN MATEO — Police today were searching for a burglar who entered the rooms of two guests of the Benjamin Franklin Hotel and made away with \$40 in cash, endorsed checks and vouchers totaling \$58.50, and numerous papers and documents.

Victims of the theft were Mrs. C. H. Lamb, hotel employee, and J. R. Calhoun, employee of the United Air Lines at Mills Field.

DRY THOROUGHLY

Rayon stockings, like all other, give better service if they are washed immediately after wearing. Don't try to wash rayon hose at night and wear them the next morning. Buy enough so that you can alternate wear, and allow two full days for the stockings to become thoroughly dry after washing.

Students To Vie For Honors

Forty-five hundred Redwood City students have decided to see that Redwood City buys a bomber. Each of the eight elementary schools and the four classes at Sequoia Union High School have gone to work to help sell \$175,000 in Series "E" war savings bonds by Apr. 30 so that Redwood City may send her personal calling cards to Hirohito or Hitler in the form of bombs dropped from the city's own bomber.

"When 4000 kids go to work," Martin J. Flynn, Buy-A-Bomber chairman, says, "there are bound to be big results."

A. H. Sagehorn, local chairman of the national drive for 13 billion dollars, reported that total sales of \$144,000, including not only Series "E" bonds, the only ones which apply to the purchase of a bomber, but Series "F" and "G" bonds, had been recorded in Redwood City and San Carlos during Monday and Tuesday, first two days of the second war loan drive.

Residents and business firms in the two cities purchased \$79,000 worth of bonds on Monday, while yesterday their contribution was \$65,000.

The chairman announced that \$1,150,000 would stand as the Redwood City and San Carlos quota in building up the San Mateo County quota of \$4,586,000.

"San Carlos is leading in individual purchases so far," Sagehorn said.

L. L. Johnson, chairman for the national drive in Atherton and Menlo Park, said this morning that the drive was going nicely there, and that \$5330 had been sold on Monday, with a total of \$6700 for Tuesday.

Menlo Park this week also decided to attempt to send a bomber to the front and to sell \$175,000 in bonds to purchase the plane May 15.

Mrs. Jerome T. Potter, chairman, spoke at a meeting in Menlo Park last night, outlining plans. Her committee will stage a door to door campaign in Menlo Park, Atherton and Menlo Oaks. A special booth for bond purchases at 1949 University Ave. in Palo Alto will be available for purchasers from East Palo Alto and North Palo Alto.

As Redwood City's school children pile up sales to meet the \$175,000 to buy Redwood City's war plane, they will be contesting for the right to name the war bird. Whichever school or high school class makes the most sales during the last weeks of the drive will win the special privilege of giving the bomber its official name.

Contestants are divided into the freshmen, sophomore, junior and senior classes at Sequoia Union High School, and the eight Redwood City schools, McKinley Intermediate, McKinley elementary, Lincoln, Central, Garfield, Washington, John Gill and Mount Carmel Schools. Each school unit is appointing a committee for publicizing the campaign, with faculty-advised student groups making posters and planning school advertising to boost the sales effort.

Students are stressing the fact that filled up stamp books may be turned into bonds which will count in the campaign.

At Sequoia, where war savings stamp sales already averaged 90 per cent last month, students will try for 100 per cent results. Class rooms receive a flag when members have kept up 90 per cent purchases.
